Sub: Appreciation Letter for organizing **One Week Coding & Robotics Boot camp (4-9th-JULY-2022)** From **Tchradiance** Coding Classes Provider.

Dear Educator,

I would like to acknowledge and extend my heartfelt gratitude Army Goodwill Public School, Pahalgam for organizing the **One Week Coding & Robotics Boot camp** for your students. We feel highly obliged to be associated with Army Goodwill Public School, Pahalgam

I would like to specify that we are very pleased with the quality of education & services offered to the students of your School. We sincerely appreciate your responsiveness and the way the event was conducted. The management of the Institute along with the coordinators (Faculty & Students) provided us with their full support and cooperation during the event. We will recommend your School name to other Schools and companies about the high standards maintained in your School because of our satisfaction with your services. It's a pleasure to work with people who know the meaning of efficiency.

I believe that after organizing such an interactive and integrated program, the competency of your words has been taken to another level and has opened multi-dimensional doors of opportunity to shape their career.

I look forward to having a continued association with your School for future programs. We are looking forward to a long and healthy alliance.

Thanks & Regards

Ruby Kalyan
